More news from Versace Timbers

Congratulations again to Clint from Brisbane Bathroom Renovations, shown here accepting his Stanley BBQ from Graham Leddy.

We are pleased to be able to still provide lucky tickets with all Stanley purchases, all tickets win an instant prize.

The current Stanley promotion will be drawn very shortly, with the winner receiving a Bostitch compressor.

As previously mentioned in our newsletter, we would like to offer our clients any support we can. Interest has been shown in running a short product information session on our engineered products. Hyne's have offered to do a presentation and a question and answer session that at most would take two hours. These sessions would be kept to small informal groups of about eight; this will speed the process up and make sure that everyone has all their queries answered. Please call Jenni (0402 307 949) to register your interest and hear more about what we can do for you and your business.

Congratulations to;

Steve Wheeler (Trueline Building Services), Russell Ryley (3R Constructions) and Gavin Marshall who were the first to text the answer to last month's newsletter competition. The answer for everyone else was "Bill". Yes it was Bill as a little tacker in the old yard loading up a forklift and wearing corduroy! Not much has changed really!

Competition for this month!

Versace Timbers is starting a whole new advertising campaign. We are placing billboards in the local area from the 9th of July till late September.

Please keep an eye out for our billboards and let us know what you think!

If you can correctly tell us where our first billboard is (in situ from the 9/7/09 – 2/8/09) you will win a carton of Crownies. Because I know some of you do not open your statements until the end of the month I will randomly select 3 winners over the course of 3 weeks.
