Introducing the Stanley Bostich Mini Impact Hammer.

Stanley's new phenumatic mini nailer is perfect for you. It drives most nails from light gauge nails for mouldings, to full size framing nails in the tightest spots that previously would be almost impossible to work in. Come in and ask for a demo! **Introductory price! \$74.99 incl GST**

NEWS FROM THE PRODUCTION TEAM

We have welcomed the addition of some new staff in the trusses and wall frames department. They have settled in well and currently working hard. If you have any questions or require some advice, please do not hesitate to call Jason on 0438 167 858 or e-mail to jason@versacetimbers.com.au

Pricing Movements

Pine prices may increase over the next couple of months due to a shortage of premium lengths in certain sizes and grades, this price increase is expected to only be a couple of percent and **won't affect** all sizes and grades. This has definitely come as a surprise and is a good indication the market is starting to move forward again.

Also it's the time of year Kwila starts to move upward again, due to month long holidays, coming into peak shipping season and the wet season overseas, the price is expected to rise over the coming months, although we haven't seen any signs of this yet please keep this in mind if you have a deck or job coming up. Your sales rep will be able to keep you up to date on this issue.

Doors and Mouldings

For those of you who don't know or haven't ventured into the yard for some time, we have a large range of doors and mouldings in stock and ready to go. We can also order in doors and fittings in any style you may require, so please keep us in mind for your next fit out, entry door or accessory order.

Lanes Door Handles

We have just partnered up with Lanes to deliver quality door handles at very competitive rates in an assortment of styles. So next time you're in the shop or receiving a visit from your sales rep ask for a catalogue to look though. I'm sure you'll find something to meet your needs.

Lastly, if anyone sees Richard, ask him to tell you this great new joke about an Irishman who locked his keys in the car....
