

## FEBRUARY 2010 NEWSLETTER ENJOY

**“HAPPY VALENTINES DAY 14/2/2010”**

### **NEWS FROM THE PRODUCTION TEAM**

If you are a little pushed for time on your next project why not give one of our pre-nailed frames a go. We have recently spent approx \$75,000.00 upgrading and computerizing our framing line making this product extremely accurate and efficient. We have well trained and experienced staff putting these together to ensure trouble free erection onsite. Your Sales representative or one of our friendly staff will only be too happy to answer any questions or organise a quote.

Currently our production times for frames and trusses is approx 2 weeks, however rain and site hold ups can move these time frames, check with your Rep or the production department if you require something sooner.

### **NEWS FROM THE ACCOUNTS TEAM**

In recent months it has come to our attention that credit claims from clients are not filtering through quickly enough, thus missing statements etc. To ensure these claims are dealt with efficiently and correctly please forward to the accounts department with any correspondence, fax, or e-mail to:- [doug@versacetimbers.com.au](mailto:doug@versacetimbers.com.au)

We also offer customers the chance to have their invoices, statements and newsletters sent out via email. Invoices will then be sent out on a weekly basis, which usually helps to keep track and budget jobs.

If you would like to join the information super highway, please send an e-mail to the accounts department to:-

[doug@versacetimbers.com.au](mailto:doug@versacetimbers.com.au)

### **NEWS FROM THE SALES TEAM**

#### **Pricing Movements**

With all the remainder of the main price rises coming into effect as of this month, prices should remain steady for the next few months. For those that have missed the last few newsletters the main price increases have been the pine framing 5-10% depending on sizes and grades, F14 sawn hardwood approx 5% again depending on section sizes, and Australian Hardwood decking. All jobs quoted last year may need to be repriced, so please keep this in mind when placing orders.

#### **New Accounting System**

We are currently upgrading our accounting programs and should hopefully have it up and running by the start of the new financial year, can I please ask you all to fill out the enclosed form to make sure we have all your correct and current information. If you have any questions please don't hesitate to contact us.

#### **New Stock Lines**

We are now stocking Brush box Select T&G Flooring to complement our current stocks of, Mixed Hwd (both Select & Std), Cypress, Kwila, Ply, and Particle Board floorings. We can still source all other species normally within 3-5 working days.

The Finger Jointed LOSP H3 Pine Weatherboards are in stock; these come in 5.4m lengths and can be pre-primed if given a few days notice.

In the Pre-primed LOSP H3 range we are now carrying 31x31, and 88x88 laminated posts.

Our Door range has increased and we have introduced the Hume's XF3 2040x820 Half Glass door, to go with our current stocks of R/cotes, Oakfield's and Solid core Doors. Other non-stock doors can be ordered in easily.
