NEWS FROM THE SALES TEAM
PRICE RISES

Every month seems to bring some pricing movement, so please be careful and check that your quotes are still current.

May saw some of the hardwood mills, moulding suppliers, sheet products, as well as some T&G flooring producers have an increase of approx. 5% June will see the balance of the hardwood, mouldings and flooring suppliers increase by 5%, as well as the James Hardies Products to increase by 3%. Moving forward engineered products (I-beam & LVL) will see a 5% increase in July/August as well as particleboard flooring increasing by 3.5% As always we try to give as much notice as possible and keep you up to date.

We always strive to offer a quick turnaround with your orders. More often than not we will deliver goods the same day they arrive. Please be aware that in this situation we are at the mercy of our suppliers, in that we cannot guarantee when they will arrive with the goods. If you require a delivery by a particular time in the day, please note this when placing the order. You can also e-mail me at tim@versacetimbers.com.au or call 0414 564 618 to discuss further.

NEWS FROM THE ACCOUNTS TEAM

If you are making your payments by electronic transfer please use your account code e.g. ABC001 in the reference box so we can allocate the money to your account in a timely manner. HARDWARE NEWS

It's nearly the end of the financial year so we have some specials on Stanley tools as well as a few other brands we have in stock. So come in and have a look and see what we have to offer. We have new Lockwood door locks to cover most new door applications in stock now as well as an updated range of Traditional Hardware to try to cover as many different styles as possible. We are also in the process of revamping our decking oil and accessories range. We have already introduced several new products including Lanotech decking oil and power prep. We have a full range of Cutek oils, tints and cleaning products. The Cutek products have a great colour and tint system and comes in 4lt and 10lt cans. Cutek also have great timber preparation and cleaning products as well as an extreme oil for the harshest environments. So come in and have a look at these great new additions to our timber oils range.

Is there a particular hardware item that you regularly purchase that we don't stock? If so please let us know and we will look at getting it on the shelves. You can call me on 3266 9000, email scott@versacetimbers.com.au or come in and have a chat.
