Newsletter Competition

For your chance to win a \$100.00 pre-paid visa card simply answer the following, "Name a species (hardwood or softwood) that Versace Timbers keeps in stock". Text 0402 307 949 or email jenni@versacetimbers.com.au

As most of you would be aware, we sometimes have a number of utes, trailers and small trucks in our yard at the same time. This creates congestion and sometimes makes it difficult to get the forklifts through to the vehicle that is to be loaded.

We are conscious of the need for us to work on keeping this area as clear as possible but there will regularly be times when the number of vehicles at any time will create congestion.

We ask for your patience and understanding when this happens but **most importantly we ask that you be alert and mindful of any forklift activity.**

Our staff may be required to lift a load to get through the available space and this creates the risk that a sudden movement or stop may cause the load to move and possibly fall. We do not want to damage any vehicle but we definitely don't want to cause any injury to you.

Please ensure you stand clear of any forklift movement and adhere to any request from our staff.

We appreciate your co-operation and understanding.

STATE OF ORIGIN GAME III – 2015

Thank you to all the customers that participated in our “FIND THE KEY” State of Origin Promotion. The mailed out “KEY” was never found, but this didn’t stop our 5 diehard STATE OR ORIGIN customers from winning their way to the game.

We also put on a similar competition for our staff members, with six of them lucky enough to come along and enjoy the evening and network with our customers.

To show we weren’t bias we even allowed the Blues supporters to keep their tickets (they know who they are).

All in all, a great night was had by all and most importantly Queenslanders get to enjoy being champions again for another year.

Now all we need is a BRISBANE BRONCOS vs NORTH QUEENSLAND COWBOYS GRAND FINAL.
