# ACCOUNTS TEAM

If you are experiencing cash flow difficulties, please call us as soon as possible as we may be able to assist. If we can't get in contact with you and find out where you are at with outstanding payments, then we may be left with no choice but to place your account on stop credit and / or begin alternative debt collection action if payment terms are breached. We are also required to report our customers to a number of authorities once an account is 90 days overdue, which may be detrimental to one's credit rating.

## Annual Charity Golf Day in Support of the PCFA

# Annual Charity Golf Day in Support of the PCFA

Our Annual Golf Day was played on Friday 25<sup>th</sup> of July and what a cracker of a day! Sun was out and the weather was mild compared to a few days before.

We had a full compliment take to the course this year with everyone wanting to get their hands on a ticket!

Our lovely specialist Prostate Cancer Nurse Jenny Milton, who generously gave us her time again to spread awareness and encourage some conversations with our very attentive audience. Our annual Ron Versace Award went to Sandy Douglas for his continuing contribution to not only the golf day but to assisting through the year with various charity events, congratulations Sandy!

By 8:15am, we had over 70 carts dashing off in all directions ready for the hooter to sound and signal for the play to start. From the get go, we knew we were in for a good day when the very first team on our \$50K Hole In One tee, got within 30 centimeters of the pin! Stephen Fields from Thora Wholesale Timbers was the lucky 'nearest to pin' and walked away with a new 65 inch TV.

With the continuing sponsorship from Vida Wood, hopefully we are getting closer to the \$50,000.00 going off very soon.

End of play was considerably earlier this year with everyone in the club house by 1:30pm. The tally began, handicaps where allocated and we had the winning team announced. The boys from Renew Builders taking the trophy proudly presented by our platinum sponsor Tilling Timber. The team consisted of Dane Watson, Will Peterson, Matt Allen and Joel Trovalusci. A special mention to Dane Watson who on accepting first place made a heartfelt speech touching on how Prostate Cancer had affected his family and on how important these days are for not only fundraising, but raising awareness.

Loads of raffle prizes were drawn and auctions were fiercely bid on. Our trip to Vanuatu went for an astonishing \$3,800.00! Major thanks to Jalroy Transport for the incredibly generous donation.

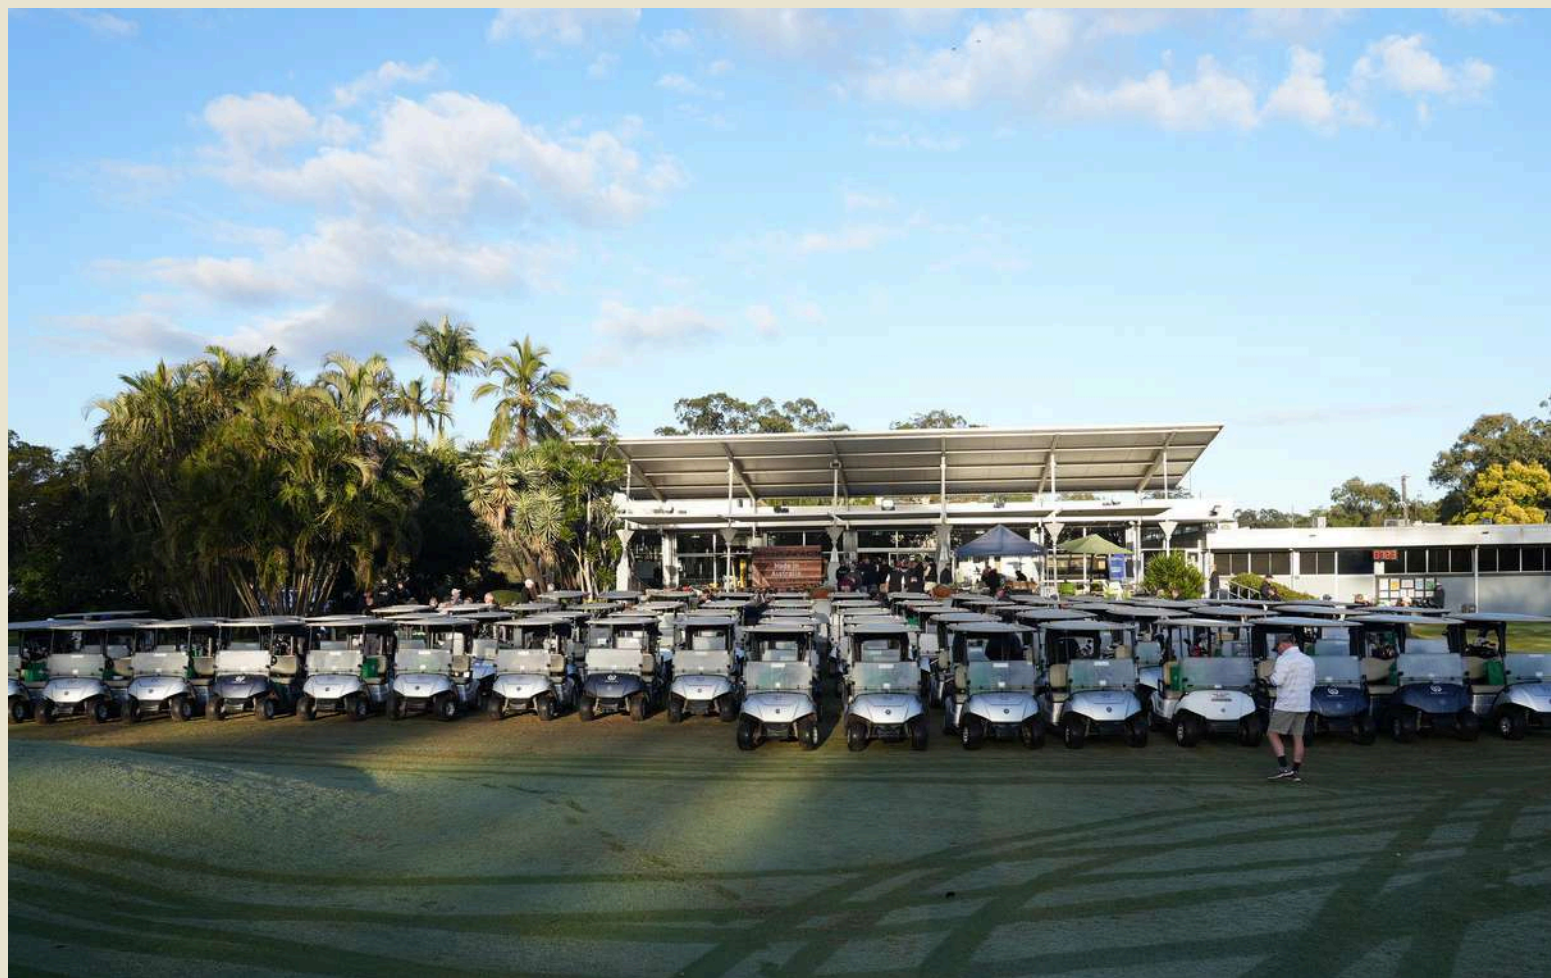

With that being added to our total we finished up raising an incredible **\$19,000.00!!!**

This brings our donations to date, to **\$180,000.00!** What an incredible achievement! We would like to thank all our amazing sponsors! without whom we could not put on such an incredible day.

Huge congratulations and thanks to all our amazing clients who played and donated generously. Here's to 2026 and a bigger and better day.
