ACCOUNTS TEAM

December and January are traditionally the time when we all take it easy and enjoy a well deserved break. We do kindly ask that you please ensure all accounts are up-to-date during this period to avoid your account going on stop credit, particularly if you have some of your staff coming back straight after New Years.

EXTENDED LEAD TIMES & SUPPLIER CLOSURES

With the holiday season just around the corner, we'd like to remind everyone to plan ahead for upcoming supplier closures over Christmas and New Year. Many suppliers and transport companies take a well-earned break or run on limited hours during this time, which can mean longer lead times and possible delays. To keep things running smoothly and avoid any last-minute hiccups, we recommend getting your orders in early. A bit of forward planning now will help make the end of the year a whole lot easier!

HEADS UP: SPECIAL ORDER DOORS

Our door suppliers have confirmed that lead times for all special order doors will now carry over into 2026.
